

Five Stones 2017 Reserve Chardonnay KPM Margaret River

The Winery

Right in the heart of the Margaret River Wine Region of Western Australia, is a special vineyard and winery. The Margaret River is Australia's premier wine region, comparing with Napa and Bordeaux.

Beckett's Flat was established in 1992 and is the quintessence of 'boutique'. The owners are hands-on in all aspects of the business – from tending the vines to making the wines in the well-equipped on-site winery. You will also find them behind the counter hand selling the wines from the cellar door. This is not just a business – but a passion, and this is reflected in the outstanding wines produced.

With 14ha (35 acres) under vine, the wines are made in mainstream Margaret River style – fruit driven and true to variety, with premium quality French and American oak used to enhance fruit characters. With production of up to 8,000 cases per annum, the winemaking philosophy is to produce the very best wine possible from each vintage.

The wines are all estate-grown with exceptional care taken at every stage of the process. The winery enjoys a four star rating from acclaimed Australian wine writer James Halliday.

Vinification: Produced from the “Mendoza” Chardonnay clone, loved by winemakers for its low-yield and high fruit intensity. The settled juice was flash pasteurized followed by a long, cool ferment enhanced with French oak.
