

2022 DOMAINE BONNARD SANCERRE BLANC

A Family Affair

The Domaine Bonnard is a family vineyard of 14 hectares in Sancerre, at the heart of the wine growing area. Our Domaine has been producing wine for longer than half a century and offers two different appellations, Sancerre AOC (white, red & rosé) and Pouilly Fumé AOC (white).

Our wine cellar is intended as a place where people meet, where each and everyone is welcome. Therefore, wine tasting is always one of those privileged moments in which our pleasure is to share with others the passion we have for our work.

Winemaking Method:

The wines originating from each of these terroirs are vinified separately in order to allow each one to fully express its characteristics. They are then blended so that their respective qualities complement each other to give balanced wines.

The “caillottes” wines are fruity and open up very early. The Kimmeridgian marls allow them to preserve their freshness, fruit and body for a long time and the flint offer minerality to our wine.

Tasting Notes: Domaine Bonnard’s wines are lively and long on the finish. Their nose is redolent of broom with Citrus notes on the palate for overall harmony. The wines are pale gold in colour. To enjoy the vivacity and fruit of our wines, we advise drinking them young (between 1—4 years). To best bring out all of their aromas and flavours, avoid over chilling them. Ideal serving temperature is approximately 12 degrees Celsius. Our white Sancerre is the perfect match for fish, seafood, white meats and cheeses, even strong ones.

David Lawrason: 92 Points

“This is a lively, complex and firm yet tender sauvignon blanc, if not as deep and riveting of the best from this important region. The warmer vintage has infused almost tropical pineapple fruit, but more typical grapefruit, fennel and juniper notes are still evident. It is quite elegant and focused on the palate, with lively acidity, some warmth and paintbrush sweetness. The length is excellent, with some bitterness on the finish.” Tasted June 2024

John Szabo: 91 Points

“Knowably and applicably Sancerre with a white chalkiness dominating the aromas for sauvignon blanc that should clearly not come from anywhere else. Implosive mineral intensity that indicates terroir above all else for one of those wines where fruit is nether the operative or the focus of attention. Like drinking a glass full of liquid calcaire. A touch of bitterness distracts at the finish.” Drink 2024-2027. Tasted June 2024
