

2018 Domaine Martin Côtes du Rhône

The Winery

THE FOURTH GENERATION OF WINEGROWERS

The story of the estate begins in 1905, when the family plot located between Chateauneuf-du-Pape and Gigondas covered 5 hectares of an exceptional terroir known as “Le Plan de Dieu”. Enthusiasm and expertise in vines and wines has been passed down here for four generations.

Today, David and Eric Martin cultivate and produce wine from 67 hectares of vineyard, respecting the environment and continuing the tradition of their ancestors, who matured their wine in old oak casks.
